<u>SUBJECT</u>: MATERIAL TRANSPORT SERVICES

<u>**RECOMMENDATION</u>**: Authorize the General Manager to execute an agreement with Leon Perrault Trucking to transport and provide assorted material for District jobs in an amount not to exceed \$300,000.</u>

PRIOR BOARD ACTION: None.

FISCAL IMPACT: This contract is proposed for an amount not to exceed \$300,000.

<u>SUMMARY</u>: The District advertised and solicited bids for material transport services and assorted materials for District jobs. In response, the District received one bid from Leon Perrault Trucking.

<u>DETAILED REPORT</u>: Utilizing outside materials transport services has led to improved production on the District's mainline replacement program as it has allowed construction crews to focus on mainline installations and repair.

In April 2024, the District advertised and solicited bids from five material transport companies for importing fill material and exporting spoils from different job sites within the District's service area. In addition to transport services, companies were also asked to submit pricing for various materials used on District projects. The District received one responsive bid from Leon Perrault Trucking.

Historically, the District has received a low number of bids for material transport services; in 2012, 2015, 2018 and 2021, the District received two, one, three and one bid respectively. In all aforementioned solicitations, Leon Perrault Trucking was the lowest bidder. Based on bid history and past performance, staff recommends executing an agreement with Leon Perrault Trucking to provide material and transport services on District projects for Fiscal Year 2025.

Bid pricing for Leon Perrault Trucking is shown in the table below.

| | Tr | Transport Prices | | | Material Prices (per ton) | | |

SUBJECT: TRAFFIC CONTROL SERVICES

<u>RECOMMENDATION</u>: Authorize the General Manager to extend the existing agreement with Cecilia's Safety Service, Inc. to provide traffic control services for Fiscal Year 2025 in an amount not to exceed \$550,000.

Board Meeting Date:

<u>PRIOR BOARD ACTION</u>: At its May 11, 2022 meeting, the Board authorized the General Manager to enter into an agreement with Cecilia's Safety Service, Inc. to provide traffic control services for District jobs for the Fiscal Year 2023. At its May 3, 2023 meeting, the Board authorized the General Manager to exercise the District's first option to extend the agreement for a one-year period covering Fiscal Year 2024 in an amount not to exceed \$550,000.

FISCAL IMPACT: This agreement is proposed for an amount not to exceed \$550,000.

<u>SUMMARY</u>: Historically, the District has used outside traffic control services to reduce costs, better utilize District staff and minimize service disruption during construction and repair; outsourcing this service transfers associated risk and provides our customers and field crews a safe and efficient work environment. During Fiscal Year 2024, Cecilia's Safety Service, Inc. successfully provided reliable traffic control services for District jobs. The current agreement with Cecilia's Safety Service, Inc. allows the District to extend the agreement through Fiscal Year 2025.

<u>DETAILED REPORT</u>: In March 2022, the District advertised and solicited bids for traffic control services throughout the District's service area. Of the four traffic control companies that submitted responsive bids, Cecilia's Safety Service, Inc. provided the lowest overall bid based on labor rates for flagging and traffic plan services. As a result of this process, the District entered into an agreement with Cecilia's Safety Service, Inc. for Fiscal Year 2023.

The District exercised its first option to extend the agreement for a one-year period covering Fiscal Year 2024; staff recommends extending the agreement for the second (and final) option period for Fiscal Year 2025 in an amount not to exceed \$550,000. Cecilia's Safety Services, Inc. hourly rates and traffic plan pricing (table below) remain the same for Fiscal Year 2025.

| Company | Regular | Overtime | Weekend & Holidays | Traffic Plans |

| Cecilia's Safety Service, Inc. | \$95.00/hour | \$95.00/hour | \$115.00/hour | \$35.00/sheet |

VACUUM EXCAVATION SERVICES

<u>RECOMMENDATION</u>: Authorize the General Manager to extend the existing agreement with AirX Utility Surveyors, Inc. to provide vacuum excavation services for Fiscal Year 2025 in an amount not to exceed \$100,000.

<u>PRIOR BOARD ACTION</u>: At its July 21, 2023 meeting, the Board authorized the General Manager to enter into an agreement with AirX Utility Surveyors, Inc. to perform vacuum excavation services for District jobs for the Fiscal Year 2024 in an amount not to exceed \$100,000.

FISCAL IMPACT: This contract is proposed for an amount not to exceed \$100,000.

<u>SUMMARY</u>: During Fiscal Year 2024, AirX Utility Surveyors, Inc. (AirX) successfully provided vacuum excavation services (potholing) on District mainline replacement projects. This effort has yielded an increase in mainline production, better utilization of District staff and has transferred associated risk with this task. The current agreement with AirX allows the District to extend the agreement through Fiscal Year 2025.

<u>DETAILED REPORT</u>: In May 2023, the District advertised and solicited bids from six contractors to perform potholing services. Contractors were required to submit hourly rates for a potholing system with a crew, traffic control services and project coordination. The District received five responsive bids; AirX responded with the lowest bid based on labor rates for potholing and more commonly used services.

As a result of this process, the District entered into an agreement with AirX for Fiscal Year 2024 with an option to extend the contract for two additional one-year periods at the District's discretion. Staff recommends exercising the District's first option to extend the agreement for a one-year period for Fiscal Year 2025 in an amount not to exceed \$100,000. AirX's pricing (table below) remains unchanged for Fiscal Year 2025.

| Service | Regular (7:00am-4:00pm) | Overtime | Weekend & Holidays | Hourly Minimum |
|---------------------------------|----------------------------|----------------|-----------------------|-------------------|
| Vacuum excavation system w/crew | \$395 per hour | \$445 per hour | \$495 per hour | 4 |

SUBJECT: PAVING SERVICES

<u>RECOMMENDATION</u>: Authorize the General Manager to execute an agreement with Joe's Paving, Inc. for paving services on Independence Way (D-2382; DIV NO 3) in an amount of \$85,654.64.

PRIOR BOARD ACTION: None.

FISCAL IMPACT: Not to exceed \$85,654.64.

<u>SUMMARY</u>: The District advertised and solicited bids from eight contractors for final asphalt repairs for this project. Two contractors attended the mandatory job walk, and two responsive bids were received. Joe's Paving, Inc. responded with the lowest bid.

<u>DETAILED REPORT</u>: District staff installed approximately 1,400 feet of various sizes of PVC pipe in Independence Way to complete the first phase of this project. Paving requirements for this project include approximately 6,600 square feet of paving and 250 lineal feet of striping. The bid results were as follows:

| Joe's Paving, Inc. | \$85,654.64 |
|-----------------------|--------------|
| RAP Engineering, Inc. | \$141,225.00 |

Based on the bid results and past performance, staff recommends executing an agreement with Joe's Paving, Inc. for paving services on Independence Way.

<u>CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)</u>: This agreement is for a phase of the mainline replacement project, which is a project that staff previously determined to be exempt under Class 2 of the State CEQA Guidelines section 15302 (Replacement or Reconstruction), 14 CCR § 15302(c), because it consists of replacement or reconstruction of an existing utility system and/or facilities involving negligible or no expansion of capacity and there is no potential for the project to cause either a direct or a reasonably foreseeable indirect physical change in the environment.

SUBJECT: ANNUAL PAVING SERVICES

STAFF REPORT

<u>**RECOMMENDATION</u>**: Authorize the General Manager to enter into an agreement with Joe's Paving, Inc. to provide paving services on District projects for Fiscal Year 2025 in an amount not to exceed \$600,000.</u>

PRIOR BOARD ACTION: None.

FISCAL IMPACT: This agreement is proposed for an amount not to exceed \$600,000.

<u>SUMMARY</u>: The District advertised and solicited bids from licensed contractors to perform paving services throughout the District's service area. In response, the District received two qualified bids. Joe's Paving, Inc. responded with the lowest bid.

<u>DETAILED REPORT</u>: Annually, the District generates approximately 20,000 square feet of patch paving and requires pavement restoration services for over two miles of trench line to support the mainline replacement program. In April 2024, the District advertised and solicited bids from nine contractors to perform asphalt repair services for patch paving and mainline replacement projects. Contractors were required to bid on paving in incremental amounts as well as provide pricing for traffic control, striping, signage, curb and berm, and other related services; the District received responsive bids from Joe's Paving, Inc. and Kirk Paving, Inc.

Based on the quantity and type of work typically performed, Joe's Paving, Inc. would provide the lowest cost service on an annual basis for patch paving and trench restoration services. Therefore, staff recommends executing an agreement with Joe's Paving, Inc. to provide paving services on District projects for Fiscal Year 2025.

Vista Irrigation District boundaries include the City of Vista, and portions of the cities of San Marcos, Escondido, Oceanside, and unincorporated areas of San Diego County. The contractor will be expected to comply with all paving standards as established under the appropriate governing agency's requirements.
