# MINUTES OF THE REGULAR MEETING OF THE BOARD OF DIRECTORS OF VISTA IRRIGATION DISTRICT

# December 5, 2018

A Regular Meeting of the Board of Directors of Vista Irrigation District was held on Wednesday, December 5, 2018 at the offices of the District, 1391 Engineer Street, Vista, California.

# 1. CALL TO ORDER

President Dorey called the meeting to order at 9:01 a.m.

## 2. ROLL CALL

Directors present: Miller, Vásquez, Dorey, Sanchez, and MacKenzie.

Directors absent: None.

Staff present: Eldon Boone, General Manager; Lisa Soto, Secretary of the Board; Brett Hodgkiss, Assistant General Manager; Don Smith, Director of Water Resources; Randy Whitmann, Director of Engineering; Frank Wolinski, Operations and Field Services Manager; and Marlene Kelleher, Finance Manager. General Counsel Joel Kuperberg was also present.

Other attendees: Eldon Boone's wife, Debbie Boone was in attendance, as were many of his friends and co-workers to honor and wish him well in his retirement.

#### 3. PLEDGE OF ALLEGIANCE

Prior to the Pledge, Director Sanchez requested a moment of silence in honor of George H.W. Bush, the 41<sup>st</sup> President of the United States, who passed away on November 30, 2018. After the moment of silence, Director Sanchez led the pledge of allegiance.

# 4. APPROVAL OF AGENDA

18-12-112 Upon motion by Director Miller, seconded by Director MacKenzie and unanimously carried (5 ayes: Miller, Vásquez, Dorey, Sanchez, and MacKenzie), the Board of Directors approved the agenda as presented.

## 5. PUBLIC COMMENT TIME

No public comments were presented on items not appearing on the agenda.

## 6. CONSENT CALENDAR

Mr. Boone provided clarification and background regarding Consent Calendar Item 6.A, the Hans and Margaret Doe Trust, a private foundation set up by a former Board member and his wife to fund water education projects and to provide college/higher education scholarships for children of Vista Irrigation District employees.

Regarding Consent Calendar Item 6.B, Director of Engineering Randy Whitmann provided clarification regarding the Joint Use Agreement, stating that the joint use is between Vista Irrigation District and the County of San Diego (County) for a District easement that overlaps with County right-of-way.

- 18-12-113 Upon motion by Director MacKenzie, seconded by Director Vásquez and unanimously carried (5 ayes: Miller, Vásquez, Dorey, Sanchez, and MacKenzie), the Board of Directors approved the Consent Calendar, including Resolution No. 18-37 approving disbursements.
  - A. Appointment of incoming General Manager to serve as Co-Trustee for Hans and Margaret Doe Charitable Trust

See staff report attached hereto. Staff recommended and the Board approved the acceptance of the General Manager's appointment as Co-Trustee of the Hans and Margaret Doe Charitable Trust effective December 7, 2018.

B. Joint Use Agreement

See staff report attached hereto. Staff recommended and the Board accepted the Joint Use Agreement via Parcel Map over County of San Diego right-of-way along Bautista Avenue, Vista (LN 2015-036; APN 159-170-04; DIV NO 1).

C. Minutes of the Public Affairs Committee meeting on November 14, 2018

The Board noted and filed the minutes of the November 14, 2018 meeting of the Public Affairs Committee.

D. Minutes of Board of Directors meeting on November 21, 2018

The minutes of November 21, 2018 were approved as presented.

E. Resolution ratifying check disbursements

# **RESOLUTION NO. 18-37**

BE IT RESOLVED, that the Board of Directors of Vista Irrigation District does hereby approve checks numbered 60369 through 60475 drawn on Union Bank totaling \$987,958.73.

FURTHER RESOLVED that the Board of Directors does hereby authorize the execution of the checks by the appropriate officers of the District.

PASSED AND ADOPTED unanimously by a roll call vote of the Board of Directors of Vista Irrigation District this 5<sup>th</sup> day of December 2018.

\* \* \* \* \* \* \* \* \* \* \* \* \* \* \* \*

# 7. RESOLUTION COMMENDING RETIRING GENERAL MANAGER ELDON BOONE

See staff report attached hereto.

Assistant General Manager Brett Hodgkiss said that he has learned a lot from Mr. Boone over the years. He commented that Mr. Boone is very dedicated to his family and to his outside pursuits including having climbed the highest peaks on six continents, which is indicative of Mr. Boone's dedication and

commitment. Mr. Boone has shown the same dedication and commitment to the District, its customers, and its employees during his tenure at the District. Mr. Hodgkiss commended Mr. Boone for his volunteer service with various associations at State and local levels, which has garnered favorable recognition for the District. Mr. Hodgkiss thanked Mr. Boone, and congratulated him on his retirement.

Director of Water Resources Don Smith said a few words to honor, thank, and congratulate Mr. Boone, adding that he has always appreciated Mr. Boone's values, which are similar to his own, as well as his sense of humor. Each of the Board members shared brief memories with Mr. Boone, and each thanked, congratulated, and wished him well in his retirement.

18-12-114 Upon motion by Director Miller, seconded by Director Vasquez, the Board of Directors adopted Resolution 18-38 honoring Eldon Boone for 24 years for service to the District and its customers, by the following roll call vote:

AYES:

Directors Miller, Vásquez, Sanchez, MacKenzie, and Dorey

NOES:

None None

ABSTAIN: ABSENT:

None

A copy of Resolution 18-38 is on file in the official Resolution Book of the District.

President Dorey presented Mr. Boone with a framed copy of the resolution. Mr. Boone thanked the Board and the employees, adding that he will miss the people, who made his job enjoyable.

A break was taken from 9:26 a.m. to 9:45 a.m. Upon return from break, present in the audience were Debbie Boone, and staff members Greg Keppler, Matt Atteberry, Mark Saltz, Randy Whitmann, Frank Wolinski, and Marlene Kelleher.

Mr. Boone thanked his wife and son for their support throughout his career. He also extended special gratitude and acknowledgment to the key staff members present in the audience. Mr. Boone added that in his communications with the public over the years, the one thing that has always been consistent is the public's high regard for the excellent service that is always provided by District employees.

# 8. DIVISION REPORTS

See staff report attached hereto.

Director of Water Resources Don Smith provided clarification regarding the removal of sand from the outlet tunnel at Lake Henshaw. He said that more sand has been accumulating in the tunnel in recent years, and staff is investigating why it is happening and what the best technique would be for its removal.

#### 9. PECHSTEIN RESERVOIR ROOF REPAIRS

See staff report attached hereto.

Director of Engineering Randy Whitmann stated that three of the District's reservoirs are of particular importance because of their positioning at high elevations and their large storage capacities. The three reservoirs are HB, HP, and Pechstein with Pechstein Reservoir (Pechstein) being the largest at a capacity of 20 million gallons, which represents roughly one-half of the District's storage system. Mr. Whitmann provided an overview of the issues and concerns surrounding the structural integrity of Pechstein's roof.

Mr. Whitmann stated that ultimately Pechstein's roof needs to be replaced. However, due to operational constraints, Pechstein cannot be taken out of service for the period of time needed to replace the roof (approximately one year). Given these constraints, it is being recommended that the District proceed with short-term roof repairs and postpone full roof replacement until after completion of the Water Supply Planning Study and an additional reservoir, Pechstein II, is sized, designed, and constructed.

Mr. Whitmann said that staff is recommending that the Board authorize the General Manager to enter into an agreement with Richard Brady & Associates for the design of the Pechstein short-term roof repairs, which will include valley glulam roof beam core sampling and short-term roof repair design services.

18-12-115 Upon motion by Director Sanchez, seconded by Director Miller and unanimously carried (5 ayes: Miller, Vásquez, Dorey, Sanchez, and MacKenzie), the Board of Directors authorized the General Manager to enter into an Agreement for Professional Services with Richard Brady & Associates for the design of Pechstein Reservoir Short-Term Roof Repairs in an amount not-to-exceed \$79,000.

## 10. SCHOLARSHIP CONTEST

See staff report attached hereto.

Mr. Hodgkiss said that the Public Affairs Committee (Committee) met on November 14 to discuss possible changes to the Vista Irrigation District Scholarship Contest (Contest) in an effort to increase participation. The Committee recommended offering a first place prize of \$3,000, a second place prize of \$2,000 and a third place prize of \$1,000 and removing the requirement to provide a transcript of grades in an effort to attract a broader range of students to apply. The Committee also recommended creating a promotional brochure to complement the scholarship application package.

Director Sanchez, Chair of the Committee, and Director Vásquez thanked the Board for approving additional funding for the Contest. The Committee expressed its goals of reaching more students to increase awareness about regional water issues and providing additional scholarship awards to assist students seeking higher education. The Board brainstormed ideas with the Committee, and all were in agreement that eliminating the requirement for an applicant to submit transcripts as well as his or her grade point average would be a good idea. Instead of asking for the students' the grade point averages, Director MacKenzie suggested the Committee consider adding a question to the application, such as "How has high school prepared you for moving on to a higher education?"

The Board discussed different ways to distribute the \$6,000 included in the budget for the scholarship contest and expressed a desire to have flexibility in the number and dollar amounts of the awards. General Counsel Kuperberg stated that flexibility in the awards can be achieved so long as the rules of the contest are clearly stated. He said that the District could advertise the maximum number of scholarships to be given as well as an up to maximum dollar amount; a minimum dollar amount could also be stated. Mr. Kuperberg recommended against stating a minimum number of awards.

President Dorey suggested that the Committee meet again and make final decisions on how to proceed. The Committee thanked the Board for its input.

A brief break was taken from 10:56 a.m. to 11:04 a.m.

# 11. APPOINTMENT OF TREASURER AND BANKING AUTHORITIES

See staff report attached hereto.

Mr. Hodgkiss stated that with the impending retirement of the General Manager, the District needs to appoint a new Treasurer, authorize a new Contracting Officer with Union Bank and change the individuals authorized to transfer funds with the California State Treasurer's Office Local Agency Investment Fund. He explained that the appointment of a new Treasurer at this time is necessitated by the fact that an outside third party (retiree) cannot serve as the District's Treasurer.

18-12-116	Upon motion by Director MacKenzie, seconded by Director Miller and unanimously
	carried (5 ayes: Miller, Vásquez, Dorey, Sanchez, and MacKenzie), the Board of
	Directors appointed Marlene Kelleher to the Position of Treasurer.

18-12-117	Upon motion by Director MacKenzie, seconded by Director Miller, the Board of Directors adopted Resolution 18-39 naming Marlene Kelleher as the Contracting Officer with Union Bank, by the following roll call vote:			
	AYES:	Directors Miller, Vásquez, Sanchez, MacKenzie, and Dorey		
	NOES:	None		
	ABSTAIN:	None		
	ABSENT:	None		
	A copy of Res	solution 18-39 is on file in the official Resolution Book of the District.		

18-12-118	Directors ado Brett Hodgkis	by Director MacKenzie, seconded by Director Miller, the Board of opted Resolution 18-40 naming Marlene Kelleher, Shallako Goodrick and as as authorized individuals to order the deposit or withdrawal of monies in ency Investment Fund, by the following roll call vote:
	AYES:	Directors Miller, Vásquez, Sanchez, MacKenzie, and Dorey
	NOES:	None

ABSTAIN: None
ABSENT: None

A copy of Resolution 18-40 is on file in the official Resolution Book of the District.

# 12. EMPLOYMENT AGREEMENT WITH INCOMING GENERAL MANAGER

See staff report attached hereto.

Mr. Boone said that the proposed contract with Mr. Hodgkiss contains the exact same terms and conditions as his employment agreement; the only items that have changed are the name, effective date, and salary (which has been decreased).

18-12-119 Upon motion by Director Miller, seconded by Director MacKenzie and unanimously carried (5 ayes: Miller, Vásquez, Dorey, Sanchez, and MacKenzie), the Board of Directors approved the employment agreement with the incoming General Manager.

Mr. Hodgkiss thanked the Board for the opportunity.

# 13. REVISIONS TO COMPENSATION SCHEDULE

See staff report attached hereto.

Mr. Hodgkiss stated that there are two compensation schedules being presented for the Board's consideration, one to reflect staffing changes effective December 7, 2018 and the other, effective January 1, 2019, to reflect negotiated salary adjustments in accordance with the Board approved Memorandum of Agreement (MOA) with the Teamsters Union, and established terms and conditions of employment for unrepresented employees. Mr. Hodgkiss presented an overview of the organizational changes that included eliminating the Assistant General Manager and the Operations and Field Services Manager positions; vacating the Finance Manager position; and adding the Director of Administration and Director of Operations and Field Services positions. He noted that these changes, along with a reduction in the General Manager's salary, will result in an annual savings of approximately \$209,000.

Director Sanchez commented that it would be interesting to know which of the positions listed in the Compensation Schedule are filled/vacant, and how many employees fill the same job title. Mr. Hodgkiss said that the Organizational Chart that is included with the Budget each year has this kind of detailed information; however, an updated Photo Organizational Chart will be provided once the District has completed its recruitment process for open positions.

Upon motion by Director MacKenzie, seconded by Director Miller, the Board of Directors adopted Resolution 18-41 approving revisions to the Compensation Schedule effective December 7, 2018, by the following roll call vote:

AYES: Directors Miller, Vásquez, Sanchez, MacKenzie, and Dorey NOES: None
ABSTAIN: None
ABSENT: None
A copy of Resolution 18-41 is on file in the official Resolution Book of the District.

Upon motion by Director MacKenzie, seconded by Director Sanchez, the Board of Directors adopted Resolution 18-42 approving revisions to the Compensation Schedule effective January 1, 2019, by the following roll call vote:

AYES: Directors Miller, Vásquez, Sanchez, MacKenzie, and Dorey NOES: None
ABSTAIN: None
ABSENT: None

# 14. MATTERS PERTAINING TO THE ACTIVITIES OF THE SAN DIEGO COUNTY WATER AUTHORITY

A copy of Resolution 18-42 is on file in the official Resolution Book of the District.

See staff report attached hereto.

Director Miller reported that there has not been a meeting of the San Diego County Water Authority (Water Authority) Board of Directors since his last report. He commented that the proposed water tax will be revisited by the California legislature in 2019. He also reported that Water Authority board member Fern Steiner will no longer represent the Water Authority on the Municipal Water District of Southern California (MWD) Board of Directors effective January 1, 2019.

Mr. Boone updated the Board on the arbitration hearing between the Water Authority and the San Luis Rey Indian Water Authority over supplemental water. He commented that the hearing took place on November 15, 2018. Thus far, no decision has been issued on the matter.

#### 15. MEETINGS AND EVENTS

See staff report attached hereto.

The Board members each reported on their attendance the recent Association of California Water Agencies (ACWA) Conference. Director Sanchez shared information he received concerning water efficiency requirements, groundwater sustainability, legislation regarding water shut-offs, and the proposed water tax. Director Vasquez reported on the ACWA Water Quality Committee and the ACWA Region 10 Board meetings as well as a session on water conservation and efficiency requirements. Director Miller reported on the ACWA Energy Committee meeting and several energy-related symposiums to complement his work on the Water Authority's Hydropower/Pumped Storage Task Force. Director MacKenzie reported on the ACWA Membership Committee and the ACWA Local Government Committee meetings, and a session that reviewed new regulations that will be forthcoming. President Dorey reported on a meeting of the ACWA Joint Powers Insurance Authority (JPIA) board, where the board approved forming a Captive Insurance Company. He noted that he expressed an interest in serving on the Captive Insurance Company board that is being formed. At the ACWA Conference, President Dorey reported that he attended an informative session regarding the Sustainable Groundwater Management Act.

# 16. ITEMS FOR FUTURE AGENDAS AND/OR PRESS RELEASES

See staff report attached hereto.

Mr. Hodgkiss stated that in addition to the items listed, the Water Supply Planning Study consultant selection and the HB Reservoir design will be forthcoming in January 2019.

#### 17. COMMENTS BY DIRECTORS

Director Sanchez commented that he believes the District could be more involved with legislative outreach and perhaps arrange to meet with its representatives. President Dorey commented that perhaps a "meet and greet" or panel discussion with southern California legislators would be a good program idea for the ACWA Region 10 board to organize for 2019.

Director Sanchez commented that new regulatory requirements that are coming in the future that may cause downward pressure on the District; he wondered if there may be a better way to communicate the impacts of new laws to customers. Director MacKenzie suggested that this would be a good topic for the Public Affairs Committee to discuss.

Director MacKenzie stated that the Local Agencies Formation Commission approved the reorganization at Lake Henshaw.

# 18. COMMENTS BY GENERAL COUNSEL

Mr. Kuperberg congratulated the newly elected Board members, and thanked the Board for joining him for dinner at the recent ACWA Conference. He said that a letter would be forthcoming informing each director of the cost of dinner to be reported on their Statements of Economic Interests. Mr. Kuperberg congratulated and offered his best wishes to Mr. Boone in his retirement. He stated that, as he has mentioned before, he has been planning and working towards his own retirement and has settled on the end of January

2019 to formally retire from his role as the District's General Counsel. Mr. Kuperberg said that he would be in attendance at the third meeting in January (January 23) and would say his goodbyes at that time. He wished everyone a happy holiday season.

# 19. COMMENTS BY GENERAL MANAGER

Mr. Hodgkiss informed the Board that the Poway City Council approved moving forward with the transfer process of the District's surplus property located in the City of Poway.

Mr. Hodgkiss reminded the Board about the Employee Appreciation Event coming up on Tuesday, December 11 at noon. He wished the Board a happy and safe holiday season.

Mr. Boone thanked the Board for the opportunity to serve, adding that he will never forget their friendship. He wished the Board happy holidays with all the best wishes for the new year.

## 20. ADJOURNMENT

There being no further business to come before the Board, at 12:13 p.m. President Dorey adjourned the meeting.

Paul E. Dorey, President

VISTA IRRIGATION DISTRICT

**STAFF REPORT** 

Agenda Item: 6.A

Board Meeting Date: December 5, 2018
Prepared By: Brett Hodgkiss
Approved By: Eldon Boone

<u>SUBJECT</u>: APPOINTMENT OF INCOMING GENERAL MANAGER TO SERVE AS CO-TRUSTEE FOR HANS AND MARGARET DOE CHARITABLE TRUST

<u>RECOMMENDATION</u>: Approve the acceptance of the General Manager's appointment as Co-Trustee of the Hans and Margaret Doe Charitable Trust effective December 7, 2018.

<u>PRIOR BOARD ACTION</u>: On May 3, 2017, the Board gave its approval for the General Manager Eldon Boone to serve as Co-Trustee of the Trust.

FISCAL IMPACT: None.

<u>SUMMARY</u>: The Hans and Margaret Doe Charitable Trust, a private foundation ("Trust"), creates a Committee of three persons to act as Trustee of the Trust upon the death of the survivor. The first member is currently Gregory Moser, a San Diego water lawyer; the second member is "the person . . . serving as General Manager of the Vista Irrigation District", and the third is "the person . . . serving as General Manager of the San Diego County Water Authority." When Eldon Boone, who serves as the District's General Manager, retires on December 7, 2018, he becomes ineligible to serve as Co-Trustee of the Trust. The Board's approval is requested to allow incoming General Manager Brett Hodgkiss to accept appointment as a Co-Trustee of the Trust.

ATTACHMENT: Letter of request to Board of Directors

Board of Directors Vista Irrigation District 1391 Engineer Street Vista, CA 92081-8840

Re: Approval of Service as Co-Trustee of the Hans and Margaret Doe Charitable Trust

Dear Members of the Board of Directors:

The Hans and Margaret Doe Charitable Trust, a private foundation ("Trust"), creates a Committee of three persons to act as Trustee of the Trust upon the death of the survivor. The first member is currently Gregory Moser, a San Diego water lawyer; the second member is "the person . . . serving as General Manager of the Vista Irrigation District ["District"]," and the third is "the person . . . serving as General Manager of the San Diego County Water Authority."

The Trust is created ". . . exclusively for religious, charitable, scientific, literary and/or educational purposes, and shall be managed in a manner consistent with Section 501(c)(3) of the Internal Revenue Code of 1954, as amended." Section 3.2(F) provides:

There are two charitable purposes of greatest interest to the Trustors: (i) to educate the public regarding the utilization of water resources in the State of California, including the historical development of water resources as well as the planning for present and future development, and (ii) to provide scholarship grants and other financial aid to assist deserving students who are the children of employees of the Vista Irrigation District in pursuing advanced education and training.

Attorneys for the Trust gave an opinion that the duties as General Manager of the District and as Co-Trustee of the Trust are not incompatible, and that the Co-Trustee may retain any compensation and reimbursements received from the Trust. As trustee, I will not be accepting any compensation from the Trust. They also advised that under Government Code section 1127, approval of the Board for this outside activity should be obtained. A copy of the Trust counsel's opinion letter (dated July 11, 1990 and the law verified as substantially unchanged today) is available for review in the office of the Trust's attorney, Michael Van Horne.

Therefore, the Board's approval is requested to permit me to accept appointment as a Co-Trustee of the Trust. Such services will be rendered so as not to interfere with my responsibilities as General Manager of the District.

Very truly yours,

**Brett Hodgkiss** 

# **STAFF REPORT**

Agenda Item: 6.B

Board Meeting Date: December 5, 2018
Prepared By: Matt Atteberry
Reviewed By: Randy Whitmann

**Approved By:** Eldon Boone

SUBJECT: JOINT USE AGREEMENT

<u>RECOMMENDATION</u>: Accept Joint Use Agreement via Parcel Map over County of San Diego right-of-way along Bautista Avenue, Vista (LN 2015-036; APN 159-170-04; DIV NO 1).

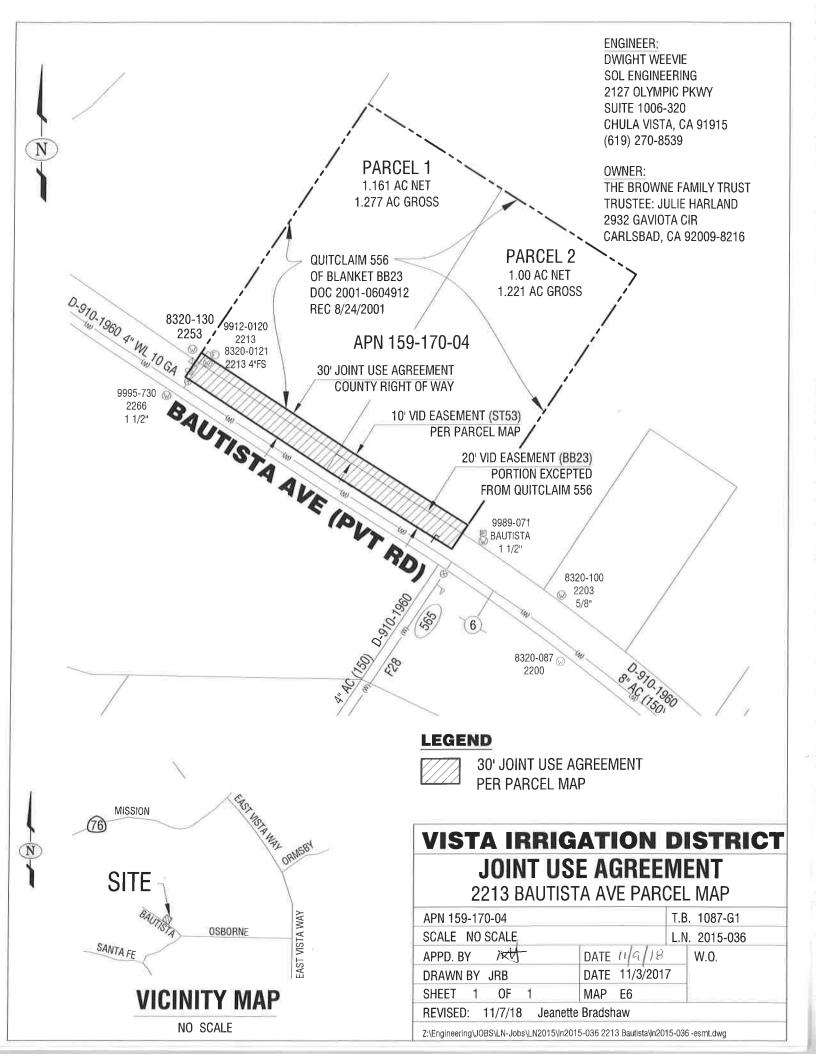

<u>PRIOR BOARD ACTION</u>: On August 1, 2001, the Board quitclaimed a portion of Blanket Easement No. BB23 via Corporation Quitclaim Deed No. 556. On November 15, 2017, the Board accepted Grant of Right of Way (T53) via parcel map for a 10-foot-wide specific easement over a single-family residential parcel consisting of 2.5 gross acres owned by The Browne Family Trust, located at 2213 Bautista Avenue, Vista.

FISCAL IMPACT: None.

<u>SUMMARY</u>: The owner's engineer requested the signature of the Joint Use Agreement (JUA) between the District and County of San Diego (County) on the Parcel Map, which was previously signed by the Board on November 15, 2017 for Grant of Right of Way acceptance. The JUA is required by the County and defines the District's rights within the public right-of-way along Bautista Avenue.

<u>DETAILED REPORT:</u> The District currently has a portion of Blanket Easement (BB23) encumbered over this property, and the Board has accepted a specific easement on the parcel map. The County is now requiring JUAs on all parcel maps where easements overlap County right-of-way; District legal counsel has reviewed the County's standard language and determined that JUAs adequately protect the rights of the District. The acceptance of this JUA will allow the owner to record this Parcel Map with the County Recorder.

# **STAFF REPORT**

SUBJECT: RESOLUTION COMMENDING RETIRING GENERAL MANAGER ELDON BOONE

**Prepared By:** 

<u>RECOMMENDATION</u>: Adopt Resolution No. 18-XX honoring Eldon Boone, General Manager, for twenty-four years of service to the District and its customers.

PRIOR BOARD ACTION: None.

FISCAL IMPACT: None.

<u>SUMMARY</u>: General Manager Eldon Boone will retire with twenty-four years of service to the District and its customers on December 7, 2018. The District would like to honor Eldon by passing the attached resolution.

<u>DETAILED REPORT</u>: Eldon started his career with the District on August 15, 1994 as the Accounting Manager and became the Director of Finance in 1996. In 2008, he was promoted to Assistant General Manager and appointed to serve as the District's Treasurer. Eldon became the 12<sup>th</sup> General Manager in the District's 93-year history on June 3, 2016. During his tenure at the District, Eldon also tirelessly volunteered his time to support local and statewide water and special district communities serving on the California Society of Municipal Finance Officers and California Asset Management Trust boards, as Treasurer of the Council of Water Utilities and as the Auditor/Controller for the Association of California Water Agencies Joint Powers Insurance Authority.

One of the District's most prominent accomplishments during Eldon's time as General Manager was the resolution of a decades-long dispute of the rights to the waters of the San Luis Rey River when the historic San Luis Rey Indian Water Rights Settlement became effective May 17, 2017. The District also completed several large capital projects including the rehabilitation of HP Reservoir and the demolition of E2 and F reservoirs. Eldon relentlessly lead the District in its pursuit to ensure reliable water service to its customers, focusing on the replacement of aging infrastructure and problematic main lines.

Eldon's hard work and leadership has garnered the District national and statewide recognition for its commitment to good governance, transparency, and sound financial management. The District has received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association; the District of Distinction Accreditation, the Transparency Certificate of Excellence, and Gold Recognition in Special District Governance, all from the Special District Leadership Foundation; and the Association of California Water Agencies Outreach Award for Region 10.

Following retirement, Eldon plans on spending more time with his family and traveling. We wish Eldon health and happiness as he embarks on this new chapter in his life.

ATTACHMENT: Resolution No. 18-XX

## **RESOLUTION NO. 18-XX**

# RESOLUTION OF THE BOARD OF DIRECTORS OF VISTA IRRIGATION DISTRICT HONORING ELDON BOONE FOR TWENTY-FOUR YEARS OF SERVICE TO THE DISTRICT

WHEREAS, Eldon Boone has faithfully served the District and its customers for over 24 years, from his start as the District's Accounting Manager in 1994 to his 2016 appointment as the District's 12<sup>th</sup> General Manager in its ninety-three-year existence; and

WHEREAS, in this capacity, Eldon provided executive oversight to all aspects of the District, including hands-on involvement in the resolution of a decades-long dispute of the rights to the waters of the San Luis Rey River when the historic San Luis Rey Indian Water Rights Settlement became effective May 17, 2017; the completion of significant capital projects including the rehabilitation of HP Reservoir and the demolition of E2 and F reservoirs; and continuing efforts to aggressively pursue the replacement of aging infrastructure and problematic main lines in the District's water system; and,

WHEREAS, through Eldon's hard work and outstanding achievements as the District's General Manager and Treasurer, the District earned national and statewide recognition for its commitment to good governance, transparency, and sound financial management, receiving the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association; the Association of California Water Agencies Outreach Award for Region 10; and the District of Distinction Accreditation, the Transparency Certificate of Excellence, and the Gold Recognition in Special District Governance, all from the Special District Leadership Foundation; and

WHEREAS, through his exemplary leadership and dedication, Eldon tirelessly volunteered his time to support local and statewide water and special district communities serving on the California Society of Municipal Finance Officers and California Asset Management Trust boards, as Treasurer of the Council of Water Utilities and as the Auditor/Controller for the Association of California Water Agencies Joint Powers Insurance Authority; and

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the Vista Irrigation District does hereby extend its deep gratitude and appreciation to Eldon Boone for 24 years of exemplary achievements, outstanding service, and selfless dedication to the Vista Irrigation District and does heartly extend best wishes that his retirement be characterized by peace, prosperity, health and longevity.

PASSED AND ADOPTED by the following roll call vote of the Board of Directors of Vista Irrigation District this 5<sup>th</sup> day of December 2018.

PRIOR BOARD ACTION: None.

FISCAL IMPACT: None.

**SUMMARY**: Previous month's and anticipated activities are reported by each division.

# **ENGINEERING DIVISION**

# November

• Mainline Replacements – continued working on the design of main replacement projects.

- The District has replaced approximately 8.5 miles of Nipponite pipe since 2002. Of the 7.5 miles of Nipponite pipe remaining in the system, replacement of 1.8 miles is currently in design and 0.4 miles is in construction.
- The District has replaced approximately 5,720 feet (1.08 miles) of pipe (steel 1,170 feet, non-Nipponite asbestos cement 275 feet, and Nipponite 4,275 feet) in Fiscal Year 2019.
- HB Reservoir Rehabilitation Richard Brady and Associates submitted findings of the structural evaluation; staff began reviewing the draft report.
- Pechstein Reservoir Roof Evaluation Richard Brady and Associates completed the roof evaluation and submitted the final report.
- E Reservoir Replacement and Pump Station Dudek began the planning phase of the reservoir replacement and new pump station project.
- E43 Regulator Relocation and Upgrade KEH and Associates continued the pre-design and site evaluation.
- Water Supply Planning Study received and began reviewing responses to request for proposal.

# December

- Mainline Replacement Projects in design (current projects): Camino Ciego\*, Plumosa Ave., South Santa Fe Ave., Lonsdale Ln.\*, Alta Vista Dr. (D3 regulator relocation), Lita Ln., Vista Grande Dr.\*, Warmlands Ave.\*, Montgomery Dr., Catalina Ave.\*, Friendly Dr.\*, Oak Dr.\*, San Clemente Way\*, Devon Pl., Kent Pl., Clarence Dr., York Dr., Nettleton Rd., Calle Maria, Via Christina, Olive Ave.\*, Green Hills Way, Elevado Rd. (Total length = 8.29 miles).
- Mainline Replacement Projects in planning (future projects): N. Citrus Ave.\*., E. Vista Way, Mason Rd., Lado De Loma, Eddy Dr., Camino Patricia, Camino Corto, Nordahl Rd.\*, HN Line- Gopher Canyon to Fairview Dr., Buena Creek Rd.\*, Robinhood Rd., Lower Ln., Easy St., Rancho Vista Rd., Bandini Place, McGavran Dr., Oro Avo Dr., Shale Rock, La Mirada, Crescent Dr., Descanso Ave., Mar Vista Dr., Miramar Dr., Camino Culebra\*, Camino Loma Verde\*, San Clemente Ave.\* (Total length = 8.50 miles).

- City of Vista Projects (Paseo) South Santa Fe Streetscape Improvements: Phase II along South Santa Fe Avenue from Ocean View to Terrace Drive (CIP #8289); Phase III along South Santa Fe Avenue from Terrace Drive to Civic Center Drive (CIP #9291). Project currently in construction and District to continue inspecting water facilities installed by City's contractor. (Total length = 0.77 miles).
- HB Reservoir Rehabilitation continue review of draft structural evaluation report.
- E Reservoir Replacement and Pump Station Dudek to continue the planning phase of the reservoir replacement and new pump station project.
- E43 Regulator Relocation and Upgrade KEH and Associates to continue the pre-design and site evaluation and submit draft report.
- Water Supply Planning Study continue reviewing proposals.

## November

- Water Quality Calls/Incidents for November received 24 taste and odor calls. All taste and odor calls were attributed to source water changes at the Escondido-Vista Water Treatment Plant.
- Continued mainline replacement of steel and Nipponite pipe on Osborne Street install approximately 3,200' of various size PVC pipe, 41 services and 5 hydrant laterals.
- Continued mainline replacement of Nipponite pipe on Rosario Lane install approximately 700' of 8" PVC pipe, 13 services and 1 hydrant lateral.
- Assessed quantity of sand in Henshaw outlet tunnel and attempted a flushing regime to reduce sand load; met with equipment representatives to consider sand removal strategies.

## December

- Continue mainline replacement of steel and Nipponite pipe on Osborne Street install approximately 3,200' of various size PVC pipe, 41 services and 5 hydrant laterals.
- Continue mainline replacement of Nipponite pipe on Rosario Lane install approximately 700' of 8" PVC, 13 services and 1 hydrant lateral.
- Replace chiller at District headquarters.
- Remove sand from Henshaw outlet tunnel.

# **ATTACHMENTS:**

Lake Henshaw Resort, Inc., Activity Reports – September 30, 2018 VID's Warner Wellfield – Water Table Depth vs. Monthly Wellfield Production

# **ADMINISTRATION DIVISION**

# November

- The District's total water production for October 2018 was 1,537 acre-feet (AF) compared to 1,693 AF in 2013, representing a 9 percent decrease.
- Hosted Association of California Water Agencies Joint Powers Insurance Authority informational meeting on proposed captive insurance company.
- Attended California Special Districts Association Quarterly Dinner Meeting.
- Attended Association of California Water Agencies Fall Conference.
- Completed recruitment for Water Quality Operator position. Steve Frey accepted a promotion to this position.
- Continued recruitments for Cashier/Receptionist and Heavy Equipment Operator positions.
- Began recruitment for Administrative Assistant position.
- Hosted training sessions for supervisors and managers on succession planning and key issues
  concerning employees who drive as part of their job duties. These trainings were open to other
  water agencies.

# December

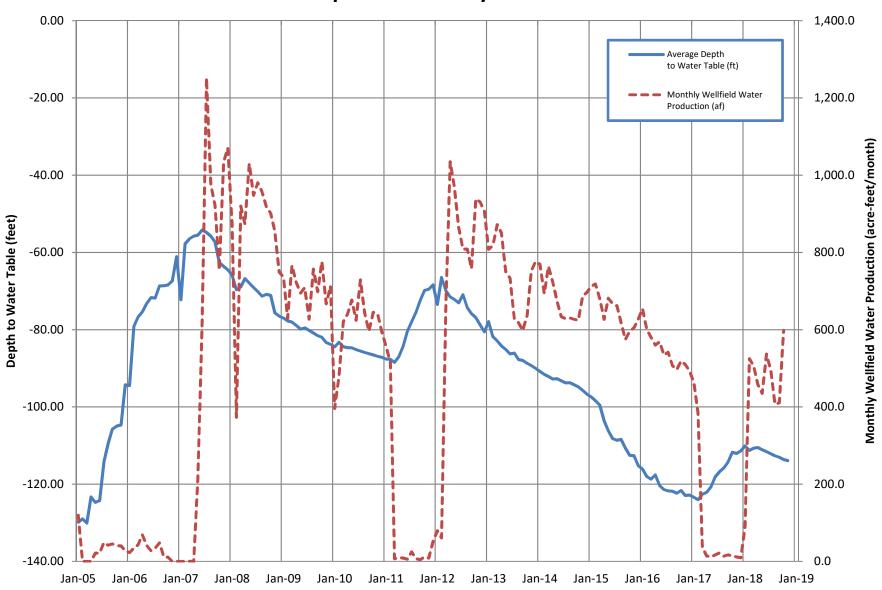

- Distribute materials regarding the District scholarship program to local high schools. Post an electronic copy of the application materials on the website.
- Conduct annual review of the District's Investment Policy as required by State law.
- Continue recruitments for Administrative Assistant, Cashier/Receptionist and Heavy Equipment Operator positions.
- Coordinate annual Employee Appreciation Event.

# VID's Warner Wellfield Water Table Depth vs. Monthly Wellfield Production

STAFF REPORT

Agenda Item: 9

Board Meeting Date: December 5, 2018
Prepared By: Greg Keppler
Reviewed By: Randy Whitmann

Approved By: Eldon Boone

SUBJECT: PECHSTEIN RESERVOIR ROOF REPAIRS

<u>RECOMMENDATION</u>: Authorize the General Manager to enter into an Agreement for Professional Services with Richard Brady & Associates for the design of Pechstein Reservoir Short-Term Roof Repairs in an amount not-to-exceed \$79,000.

<u>PRIOR BOARD ACTION</u>: The Pechstein Reservoir Rehabilitation project was included in fiscal year 2019 budget (\$175,000 for structural evaluation and design of repairs to the reservoir) adopted by the Board on May 2, 2018.

<u>FISCAL IMPACT</u>: Not-to-exceed \$79,000 for roof beam core sampling and repair design services; the roof repair costs are not known at this time, and estimates will be developed by the consultant as part of the design process. The cost of the initial structural evaluation of the reservoir was \$37,500.

<u>SUMMARY</u>: Pechstein Reservoir, located along Buena Creek Road, is a 20 million gallon (mg), partially buried, pre-stressed concrete reservoir with a wood framed/corrugated metal roof. The reservoir was built in 1976 and roof repairs and maintenance issues have been a continual effort since the early 1990s. The Potable Water Master Plan ranked the Pechstein Reservoir as a top priority for further evaluation based on the era in which it was constructed and the condition of the exterior and interior of the roof.

Richard Brady & Associates (Brady) has recently completed an evaluation of the Pechstein Reservoir and reported that the exterior portions of several roof beams are in serious condition and in need of immediate attention. While full replacement of the roof with a new, lightweight aluminum dome roof is recommended, the District cannot immediately move forward with this project due to operational constraints; Pechstein Reservoir constitutes approximately one-half of the entire system's storage and cannot be taken out of service for the period of time needed to replace the roof (approximately one year). Given these constraints, staff recommends proceeding with short-term roof repairs and postpone full roof replacement until after completion of the Water Supply Planning Study and a Pechstein II Reservoir is sized, designed, and constructed.

<u>DETAILED REPORT</u>: Brady's evaluation of the Pechstein Reservoir included visual inspections, reviewing existing documents, structural and seismic analysis, and recommendations to repair or replace the roof. The key finding from the visual inspections identified that several valley glulam beams supporting the roof are in serious condition from dry-rot occurring from the outside exterior. At these locations, the concern is related to the unknown extent of the decay inward. If the damage extends into the wall, where a significant amount of the beam load is transferred to the wall, structural capacity can be significantly reduced and localized failures (including partial roof collapse) are possible.

In addition to the valley beams, Brady's report provides a roof defect plan that identifies many other roof framing members with less immediate concerns that would need to be addressed if a full roof repair was considered. Independent from its current physical condition, results from the structural analysis indicate that the original roof design was not considered in the overall seismic design of the reservoir. Per Brady's summary, the existing reservoir lacks any lateral load transfer system from the roof to the columns and surrounding walls, and the roof would likely collapse in the event of severe seismic ground shaking. Retrofitting the existing roof with the required diaphragm sheathing system would require an extensive amount of framing and add a

significant amount of weight to the already heavy support system, all of which would cause seismic deficiencies in the reservoir's pre-stressing system; therefore, full roof replacement with a lightweight, aluminum dome roof is recommended. However, understanding that a full roof replacement is not feasible until Pechstein II is constructed, Brady provided the following recommendations for proceeding with a short-term solution which includes the below described tasks:

- Core sample the valley glulam beams on the reservoir interior close to the perimeter wall.
- Analyze core sampling, determine beam condition, and remaining load bearing capacity.
- Provide design and bid package for short-term repairs for beams, other identified structural deficiencies and pertinent maintenance repairs.

ATTACHMENTS: Aerial Map

Roof Structural Assessment Valley Glulam Beams Findings and Photos

Roof Defect Plan

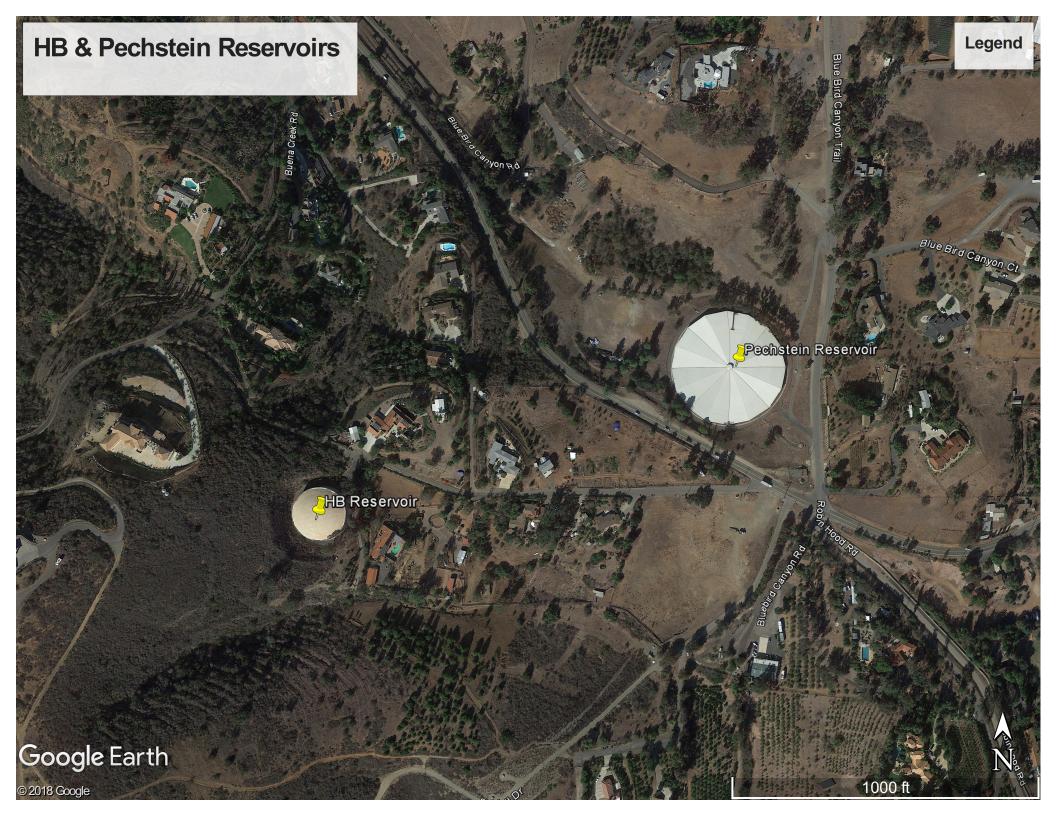

Photo 9 - Typical ridge glulam beam 11 (red arrow) between purlin L (yellow arrow) and cmu wall.

## Valley Glulam Beams

**Interior.** Overall the valley beams were in *fair* condition with water staining and some checks and minor delamination observed throughout the interior. As the beams slope toward the cmu wall their condition becomes worse. From purlins J through L the beams exhibited significant water staining; the wood was firm (less than 1/2-in. penetration with awl) and the delamination at the seams became more significant, up to 4" as seen in Photo 10. In some cases the laminations appeared to be epoxy injected at the wall, see Photo 11.

Exterior. The exterior portions of the valley glulam beams are in *serious* condition. In general the beams are soft, up to ¼-in. of penetration, with delamination and failing paint over 100% of the surface area, see glulam beam 21 in Photo 14. Localized areas of significant defects were noted, Photo 15 shows a close up of beam 21 where significant rot is found. The rot was found on the south side and affected 80% of the surface area near the cmu wall interface and was up to 4-in. deep. Significant rot was also found at Glulam beam 29 where 30% of the surface area of the south side was found up to 3" deep (Photo 16). Glulam beam 17 exhibited decay on 50% of the beam surface area and was up to 4-in. deep. Decay may have extended into the beam further than measured. Maintenance repairs should be made and the extent of damage determined until a permanent solution can be made. See Figures 2 and 3 of Appendix A for additional notes and locations of defects.

Photo 10 – Delamination of the bottom lamination at valley glulam beam 1 between purlins L and K indicated by the knife inserted 4" into the separation.

Photo 11 – Valley glulam beam 17 at cmu wall. The red arrow points to seams where epoxy has been injected as a repair attempt.

Photo 12 – Check at valley glulam beam 21 between purlin L and K, detail shown in Photo 13.

Photo 13 - Close up of the checks seen in Photo 12 pointed out by the red arrows at valley glulam beam 21 between purlins L and K.

Photo 14 – Typical dry rot, very soft wood, staining and failed paint found on the exterior portion of valley glulam beam 21.

Photo 15 – Close up of typical dry rot on exterior valley glulam beam 21; beam is very soft with up to 4" penetration near the cmu wall interface.

Photo 16 – Valley beam 29 where significant pockets of dry rot were found, greater than 3" deep in some areas.

Interior Repairs. Beams 13, 25 and 29 were repaired with two C12x30 channels epoxy coated and ½-in. stainless steel thru bolts, see Figure A and Figure B below which are an excerpt from Reference Document No. 4. The repair section spans between the outer circle of columns to the prestressed concrete perimeter wall. The channels are welded to the existing column beam bracket and anchored with stainless steel adhesive anchors in the existing prestressed concrete wall. Steel plates were used as shims above the channels for support under the purlins.

These repairs are in *fair* condition. The weld at the column bracket exhibited severe to moderate corrosion (Photo 17). The coating in these locations has failed and has been reapplied. The original and repair coatings have both failed. The steel shim plates exhibited severe corrosion and 100% coating failure. Where the channel is supporting the shims there is up to 50% steel section loss in the flanges, see Photo 18. Significant splits in the glulam beam can be seen at glulam 13 in Photo 19.

**Exterior Repairs.** A repair was also made to the exterior portion of glulam valley beam 13, as seen in Photo 20. According to VID staff, surface rot found on the exterior portions of the glulam beams has been patched over the years. During routine maintenance repairs, VID staff discovered significant rot on the interior of glulam beam 13 extending into the reservoir. An image from 2013 provided by VID staff (Photo 21), exhibits severe rot and decay within this beam. This example suggests the potential for significant decay within the valley beams that could not be seen during the visual inspection by BRADY engineers. This typical damage could extend into the interior portion of the reservoir to an unknown extent.

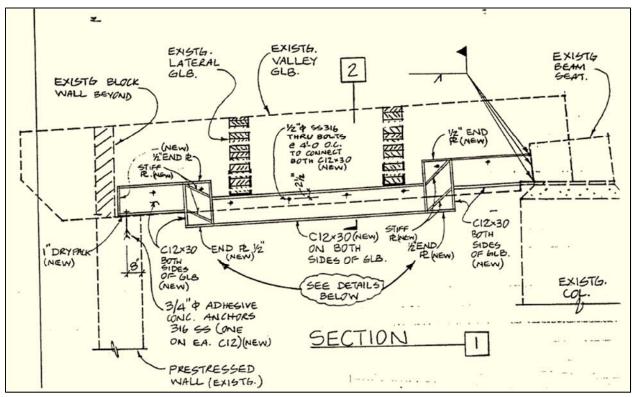

Figure A. Repair section sketch from 1994 repair plan by MW, for beams 13, 25 and 29.

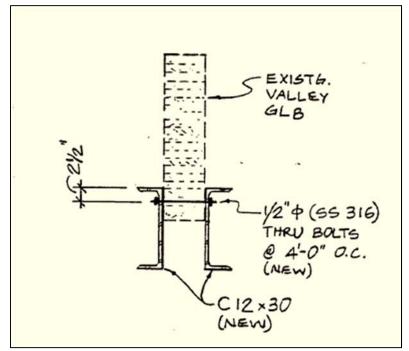

Figure B. Section 2 sketch from 1994 repair plan by MW.

Photo 17 – Welded connection corrosion at valley glulam beam 13 and purlin J.

Photo 18 – Corroded shims at valley glulam beam 13 and purlin L.

Photo 19 – Split at valley beam 13 between cmu wall and purlin L.

Photo 20 – Repaired portion of valley glulam beam 13.

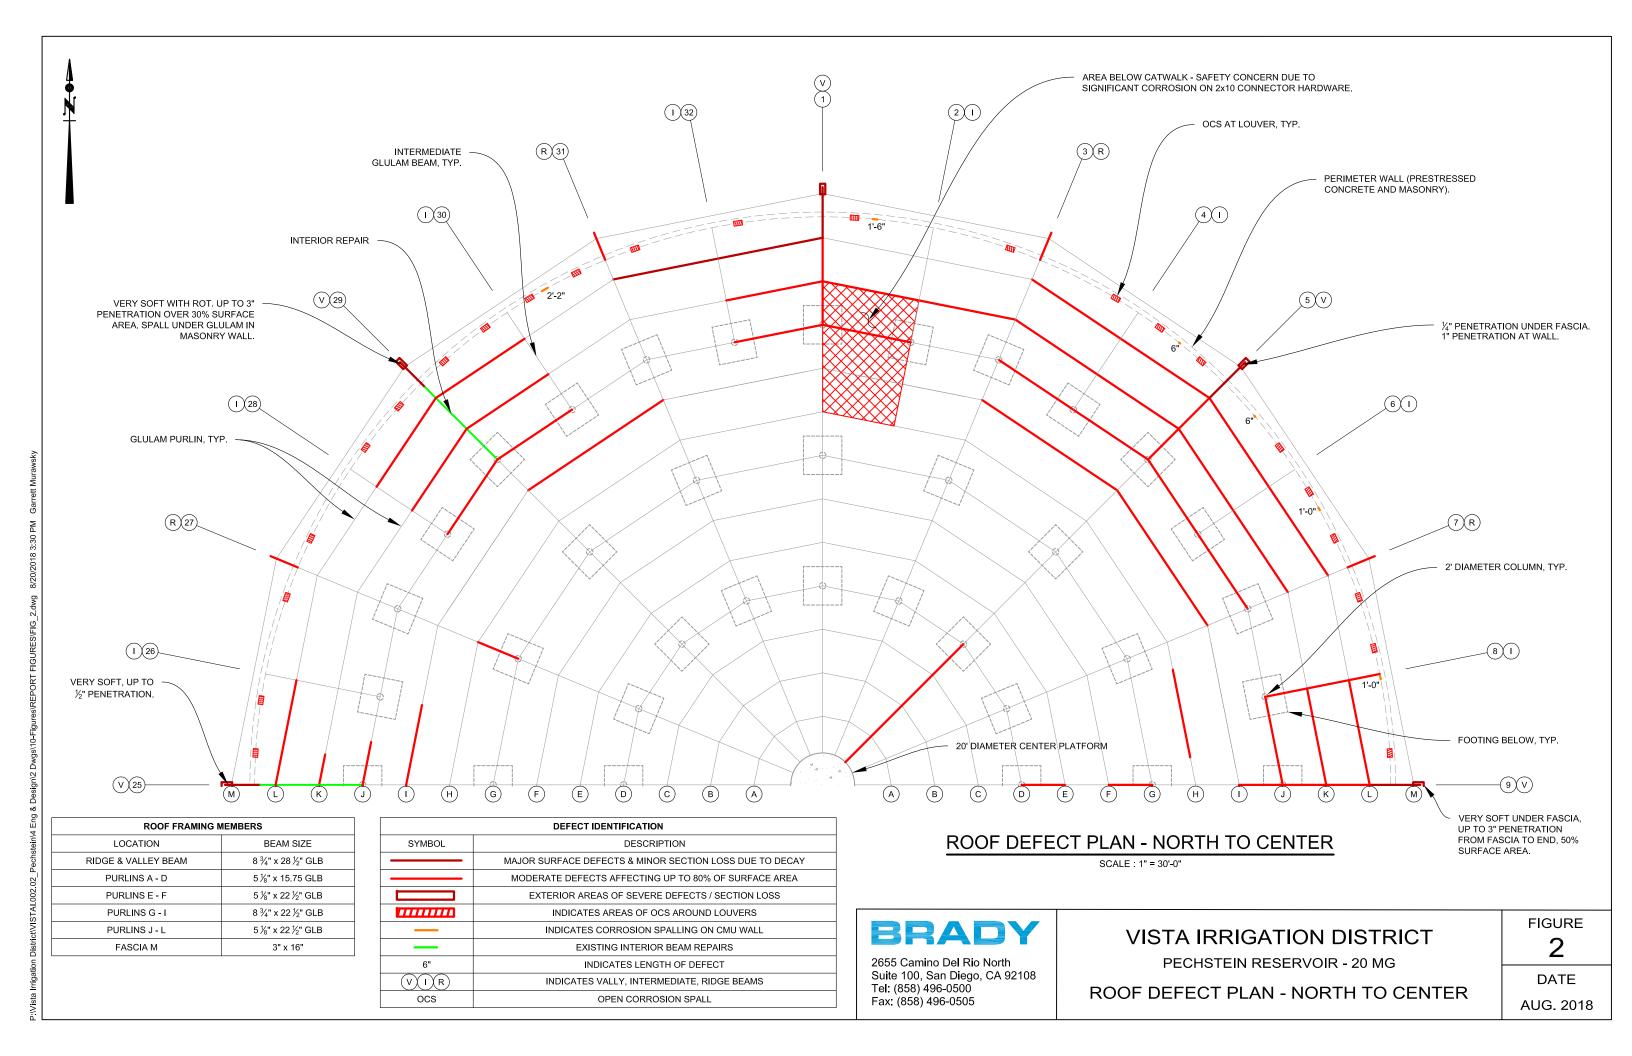

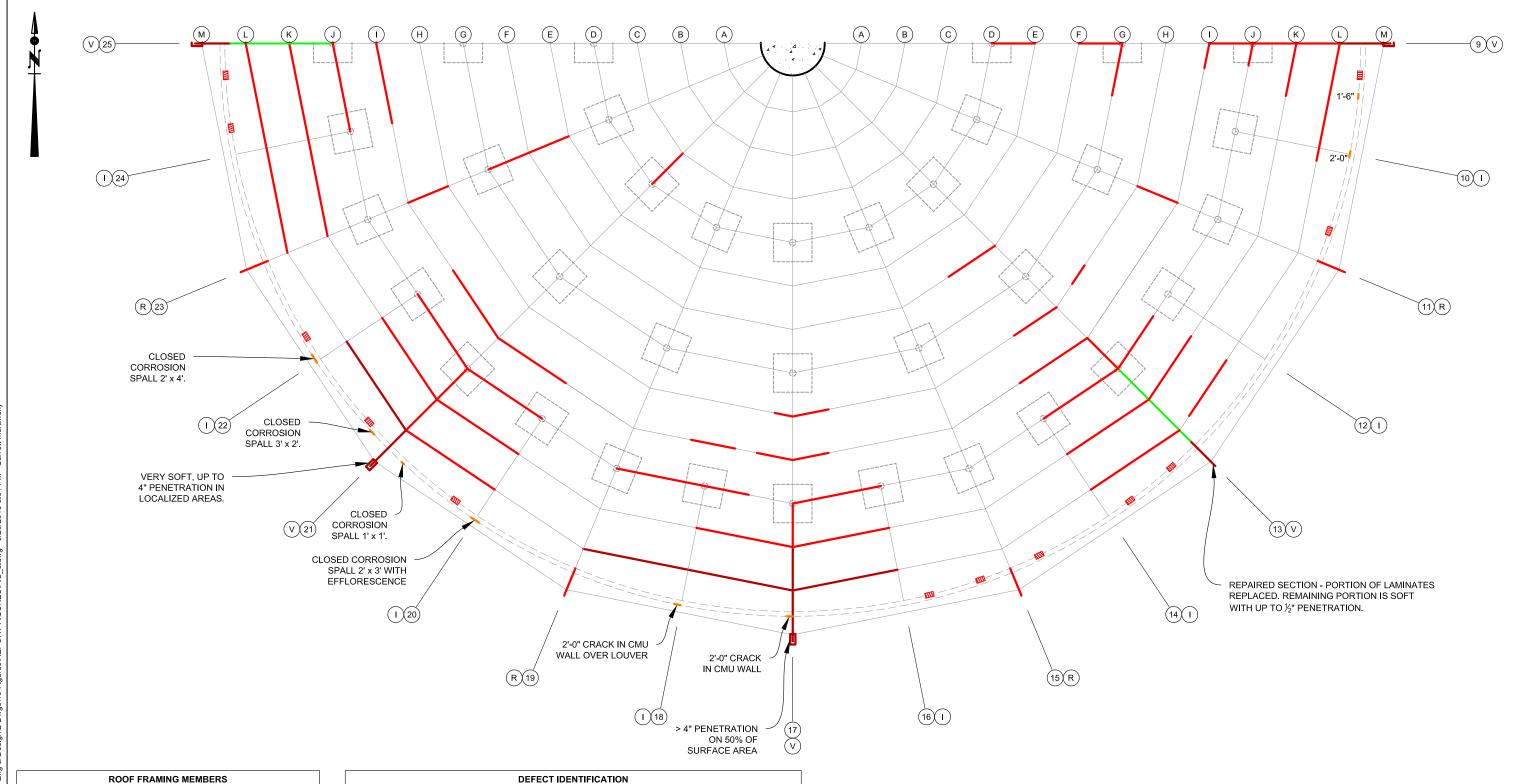

Photo 21 - Valley glulam beam 13 during maintenance repair in 2013, provided by VID staff.

**Conclusion.** Visual and tactile interior inspection would indicate the valley glulam beams are in *fair* condition, with minor to moderate defects observed and localized areas of moderate to advanced deterioration are noted but do not significantly reduce the load bearing capacity of the structure. The exterior portions of the glulam beams are not a critical load bearing member carrying only the load of the roof overhang. However there is significant concern related to the unknown extent of the damage. It is likely the rot extends into the wall where a significant amount of load is transferred from the glulam beam into the wall. Based on our review of historical documents, and damage found on the exterior, we believe the structural capacity of these members are significantly reduced at these locations and localized failures are possible.

#### Intermediate Glulam Beams

The intermediate glulam beams (Photo 22) are in *satisfactory* condition, exhibiting staining, minor delamination and checks. These beams do not extend through the cmu wall and instead bear on a metal plate in the wall. The metal plates at these locations exhibited corrosion on the interior (Photo 23) and spalling on the exterior (see Concrete Masonry Unit Walls section of this report for more detail). These intermediate beams are not anchored to the cmu wall and do not have a positive connection able to transfer lateral loads into the column or cmu wall.

SUBJECT: SCHOLARSHIP CONTEST

<u>RECOMMENDATION</u>: Consider changes to the Vista Irrigation District scholarship contest.

<u>PRIOR BOARD ACTION</u>: On April 18, 2018, the Board awarded a \$1,500 scholarship to the contest winner and two \$750 scholarships to the runners-up.

FISCAL IMPACT: \$6,000 for the scholarship contest is included in the budget.

<u>SUMMARY:</u> Each year, the District invites high school seniors who live or go to school within its service area to compete for a scholarship. At the conclusion of last year's awards presentation, the Public Affairs Committee indicated to the Board they would like to look at making changes to the scholarship contest to increase participation. The Committee informed the Board it would meet to discuss ideas for restructuring the contest and bring its recommendations to the Board for consideration.

<u>DETAILED REPORT</u>: The Committee and staff discussed restructuring the scholarship contest with the goal of increasing participation. The Committee discussed several ideas, including advertising multiple scholarship awards rather than a single scholarship award and increasing scholarship award amounts. After careful consideration, the Committee recommends offering a first place prize of \$3,000, a second place prize of \$2,000 and a third place prize of \$1,000 and removing the requirement to provide a transcript of grades in an effort to attract a broader range of students to apply. The Committee may reevaluate the scholarship contest structure next year depending on the participation level in this year's contest.

Staff anticipates distributing application packages and a promotional brochure to high school counselors within the District's jurisdictional boundaries in December. Follow-up calls will be made to counselors to make sure the application materials and brochure are received. Additional scholarship promotional efforts will include placing information about the scholarship in high schools' monthly scholarship bulletins and on daily video bulletins (if space is available), issuing a news release, and announcing the program on our website. Application materials will also be made available on the District website.

As proposed, application packages would be due to the District by 5:00 p.m. on Friday, March 1, 2019. The Committee, which serves as the competition judges, could meet in the following weeks (based on Committee members' availability) to review the applications and recommend the winners. The Committee's recommendation for the winners could then be submitted to the Board for consideration at a meeting in April. A certificate could be presented to the winners at the next scheduled Board meeting. As in the past, once the students have enrolled at a university, college or vocational school District staff will forward a check to the school on behalf of the student(s).

#### SCHOLARSHIP APPLICATION PACKAGE

Vista Irrigation District (VID) invites local high school seniors to compete for scholarships of \$3,000, \$2,000 and \$1,000 from VID. Winners will be selected based on the quality and originality of essay prepared by the applicant as well as school and community involvement. Applications will not be accepted if all criteria are not met, including correct formatting. Applicants must submit each of the following documents by 5:00 PM on Friday, March 1, 2019:

- 1. Completed application form.
- 2. School/Community involvement:
  - a. One letter of recommendation from a high school faculty member.
  - b. One letter of character reference from a personal or professional associate.
- 3. A personal statement (two pages or less, Arial font, 12 point type, with 1 inch margins top, bottom, left and right, and line spacing set to 1½). Suggested topics include the student's reasons for applying for the scholarship or seeking a higher education, the student's educational/career goals, personal background or interests.
- 4. An essay (two pages, Arial font, 12 point type, with 1 inch margins top, bottom, left and right, and line spacing set to 1½) addressing the following topic/question:

Water-use efficiency is an important aspect of ensuring a reliable supply of water in the San Diego region. Explain what specific actions you have taken to use water efficiently and how you can (or do) encourage water-use efficiency in your community.

The essay will be judged on originality and demonstrated understanding of the question.

Students may obtain an application package from their Scholarship Counselor or from VID by contacting Alisa Nichols at (760) 597-3173. The application package and related materials are also available on the district's website (www.vidwater.org).

A completed application package must be submitted to the Vista Irrigation District, 1391 Engineer Street, Vista, CA 92081-8840, by 5:00 PM on Friday, March 1, 2019.

VID will review qualified applications, select first, second, and third place winners who will receive \$3,000, \$2,000 and \$1,000 scholarships, respectively. Once enrolled at a college, university or vocational school, VID will send a check directly to the school on scholarship recipient's behalf.

- A personal statement. Suggested topics include reasons for applying for the scholarship or seeking a higher education, educational & career goals, personal background or interests.
- A two-page essay addressing the following topic/question:

Water-use efficiency is an important aspect of ensuring a reliable supply of water in the San Diego region. Explain what specific actions you have taken to use water efficiently and how you can (or do) encourage water-use efficiency in your community.

### **STAFF REPORT**

Agenda Item: 11

Board Meeting Date: December 5, 2018
Prepared By: Marlene Kelleher
Reviewed By: Brett Hodgkiss
Approved By: Eldon Boone

SUBJECT: APPOINTMENT OF TREASURER AND BANKING AUTHORITIES

#### **RECOMMENDATIONS:**

- 1) Appoint Marlene Kelleher to the position of Treasurer.
- 2) Adopt Resolution No. 18-XX naming Marlene Kelleher as the Contracting Officer with Union Bank.
- 3) Adopt Resolution No. 18-XX naming Marlene Kelleher, Shallako Goodrick and Brett Hodgkiss as authorized individuals to order the deposit or withdrawal of monies in the Local Agency Investment Fund.

<u>PRIOR BOARD ACTION</u>: On January 2, 2008, appointed Eldon Boone to the position of Treasurer. On January 16, 2008, authorized individuals to order the deposit or withdrawal of monies in the Local Agency Investment Fund.

#### FISCAL IMPACT: None.

<u>SUMMARY</u>: With the impending retirement of General Manager Eldon Boone, it is necessary to update authorized individuals on the District's bank and investment accounts.

<u>DETAILED REPORT</u>: General Manager Eldon Boone's retirement requires the District to authorize a new Contracting Officer with Union Bank as well as change individuals authorized to transfer funds with the California State Treasurer's Office Local Agency Investment Fund (LAIF). These changes require the submission of adoption of resolutions to each entity (Union Bank and LAIF) to become effective.

The Contracting Officer with Union Bank is the person authorized to perform tasks in the Bank's online financial center such as adding and removing services, adding and removing signers and opening and closing accounts. LAIF authorized individuals can only transfer funds between LAIF and Union Bank. It is recommended that Marlene Kelleher be named the authorized Contracting Officer with Union Bank and that Marlene Kelleher, Shallako Goodrick and Brett Hodgkiss be named as the authorized individuals on the District's LAIF account.

#### **ATTACHMENTS:**

STAFF REPORT

Agenda Item: 12

**Board Meeting Date:** December 5, 2018

Prepared By: Lisa Soto Approved By: Eldon Boone

SUBJECT: EMPLOYMENT AGREEMENT WITH INCOMING GENERAL MANAGER

<u>RECOMMENDATION</u>: Consider recommendation of the ad hoc committee regarding an employment agreement with the incoming General Manager.

<u>PRIOR BOARD ACTION</u>: On August 15, 2018, the Board appointed Brett Hodgkiss as successor General Manager effective December 7, 2018 subject to reaching agreeable terms and conditions of employment.

FISCAL IMPACT: Annual salary savings of approximately \$23,300.

<u>SUMMARY</u>: The terms and conditions contained in the employment agreement with the incoming General Manager are the same as those presented in the employment agreement with the current General Manager; the only items that have been changed are the name of the General Manager, the effective date of the employment agreement and the salary.

ATTACHMENT: Employment Agreement between Vista Irrigation District and Brett Hodgkiss

#### EMPLOYMENT AGREEMENT BETWEEN VISTA IRRIGATION DISTRICT AND BRETT HODGKISS

This employment agreement (Agreement) is made and entered into as of this 5<sup>th</sup> day of December 2018, by and between Vista Irrigation District (District) and Brett Hodgkiss (Hodgkiss) as follows:

- A. The District is organized and existing pursuant to the California Irrigation District Law, Water Code section 20500 *et seq.*, and is authorized to employ staff pursuant to Water Code section 21185, and to set compensation of District officers by Water Code section 21165.
- B. The District desires to retain the services of Hodgkiss to serve as its General Manager. Hodgkiss is willing to assume these duties and to serve as an employee of District under the terms and conditions set forth below.
- C. The purpose of this Agreement is to formalize the terms and conditions of Hodgkiss's employment by District as General Manager.

In light of the foregoing, the parties agree as follows:

- 1. <u>Employment</u>. District hereby employs Hodgkiss as its General Manager and Hodgkiss accepts this employment. Hodgkiss understands that he shall be classified as an exempt employee for purposes of the U.S. Fair Labor Standards Act.
- 2. <u>Effective Date</u>. This Agreement shall be effective upon approval by the Board of Directors ("Board"), but in no event prior to 12:01 a.m. on December 7, 2018.
- 3. <u>Salary</u>. Hodgkiss's annual salary effective December 7, 2018, shall be two hundred twenty-three thousand dollars (\$223,000). This amount shall be paid to Hodgkiss in equal periodic increments on the regular pay dates during the year as applicable to District employees within the executive management unit. Hodgkiss shall receive salary increases in accordance with those provided to the executive management unit starting with the first occurring on January 1, 2019. Hodgkiss's salary shall be subject to all applicable and appropriate withholding and payroll deductions. It shall be paid through and in accordance with the District's regular payroll procedures, and as such may be amended from time to time.
- 4. <u>Duties</u>. Hodgkiss shall perform the duties of General Manager as established from time to time by law or by the Board. A description of the duties of the General Manager is attached hereto. Hodgkiss shall report directly to the Board.
- 5. <u>Devotion to District Duties</u>. Hodgkiss agrees that, during the term of this Agreement, he shall devote his full energies, interests and abilities and productive time to performance of the duties and responsibilities as set forth in this Agreement and shall not conduct any other business or render services of any kind, for compensation, or undertake other business, profession or commercial activity which would directly or indirectly interfere materially with the performance of his duties and services under this Agreement without prior consent of the Board.

This Agreement shall not be interpreted to prohibit Hodgkiss from making passive personal investments or conducting private business affairs if those actions or activities are not deemed by California law to create a conflict of interest and do not materially interfere with the duties and services required by this Agreement. This Agreement shall also not be interpreted to prevent Hodgkiss from serving in, or providing professional services for, a mutual aid capacity or relationship with other public agencies pursuant to District policies, directives or agreements.

- 6. <u>Benefits</u>. Except as provided otherwise in this Agreement, Hodgkiss shall receive the same benefits as are established from time to time by resolution for executive management employees and/or District personnel policy. These currently include, but are not limited to, participation in the California Public Employees Retirement System (PERS), insurance benefits including health, life, dental, eye care and disability insurance, and leave benefits including vacation, bereavement, holiday and sick leave time.
  - a. District shall reimburse Hodgkiss for business expenses reasonably incurred in the performance of his duties hereunder in accordance with District policy.
  - b. Hodgkiss shall not receive an auto allowance.
- 7. <u>Additional Benefits</u>. In addition to the above, District shall provide the following to Hodgkiss:
  - a. In addition to the Executive Leave to which each District management employee is entitled, Hodgkiss shall be entitled to two additional days of Executive Leave each calendar year. This results in a total of seven days of Executive Leave for Hodgkiss each calendar year.
  - b. District shall reimburse Hodgkiss for dues and meeting expenses incurred for membership in one service club per year. For purposes of this Agreement, the term "service club" shall mean a voluntary non-profit organization where members meet regularly to perform charitable works or public service either by direct hands on effort or by raising money for other organizations. A service club, to be eligible under this provision, may not discriminate or make any distinction in membership or activity based on religion, race, ancestry, national origin, sexual orientation, color or other characteristic protected by state or federal law. However, a service organization will not be disqualified from coverage under this provision if it provides assistance to disabled individuals, or to economically disadvantaged individuals who happen to be members of ethnic or racial minorities or based on other humanitarian considerations.
- 8. <u>Termination</u>. Except as provided below, Hodgkiss shall serve at the pleasure of the Board on an at-will basis. Thus, the employment relationship may be terminated and Hodgkiss may be discharged by the Board, with or without cause, at any time and without prior notice or hearing.

- a. A super majority of four members of the Board shall be required to terminate Hodgkiss's employment without cause. If terminated without cause, Hodgkiss shall receive as severance pay an amount equal to one-half his then annual salary if and only if he executes a general release of all claims.
- b. Hodgkiss may be terminated for cause by a simple majority of the Board. For purpose of this Agreement "cause" shall be defined as conduct which is unacceptable to the District. Such unacceptable conduct includes, but is not limited to: 1) alcohol or drug abuse, either of which materially impairs Hodgkiss's ability to perform his duties; 2) criminal dishonesty involving the District; 3) conviction of a crime involving moral turpitude; 4) the commission of any act which would disqualify Hodgkiss from being an officer of the District; 5) willful violation of lawful written directions from the Board of Directors; 6) habitual neglect of his duties; or 7) breach of any of the provisions of this agreement. Termination under 8.b. does not require payment of any severance.
- c. Notwithstanding the above, Hodgkiss's employment may not be terminated without cause during the 120 calendar day period immediately following a general election where one or more positions on the District Board has been up for election.
- d. Hodgkiss may voluntarily terminate his employment with District at any time by tendering at least 60 days' written notice to the Board, unless Hodgkiss is unable to give such notice because of circumstances beyond his control. Termination under 8.d. does not require payment of any severance.
- e. Hodgkiss's employment shall terminate automatically upon his death or upon the termination of his employment because of disability. The term "disability" shall be as defined under the California Public Employment Retirement law, Government Code section 20000, *et seq.* Termination under 8.e. does not require payment of any severance.
- 9. <u>Confidential Information</u>. Hodgkiss acknowledges that, in the performance of his duties, District shall disclose and entrust to him certain confidential information which is the property of District. Hodgkiss agrees not to disclose at any time, directly or indirectly, during the term of his employment by District, or at any time thereafter, any such information, whether it be in the form of records, lists, data, personal information, drawings, reports, or otherwise, of a business or technical nature, which was acquired by Hodgkiss during his relationship with District unless such disclosure is authorized by District in writing, such disclosure is required by law or is required in the performance of Hodgkiss's duties as General Manager.
- 10. <u>Full Agreement</u>. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement or promise related to the subject matter of this Agreement which is not contained in this Agreement shall be valid or binding.

11. <u>Notice</u>. Any notice, request, demand, consent or approval or other communication regarding this agreement, shall be validly given and made only if in writing and delivered in person to an officer or duly authorized representative of the party, or deposited in the United States mail, first class postage prepaid, and addressed to the party for whom intended as follows:

To District: Vista Irrigation District, 1391 Engineer Street, Vista, CA 92801;

To Hodgkiss: Brett Hodgkiss (home address on file).

- 12. <u>Applicable Law</u>. The parties hereunder agree that this Agreement, and the attachment hereto, have been negotiated and executed in the State of California and shall be governed by, and construed under, the laws of California. In the event of a dispute, the parties hereto specifically agree the jurisdiction and venue shall be within the County of San Diego, State of California, Vista (North County) Division, or such other jurisdiction under State or Federal law.
- 13. <u>Modifications</u>. No additions, or modifications of, any provision contained in this Agreement shall be effective unless fully set forth in writing signed by the authorized representatives of both of the parties hereto.
- 14. <u>Invalidated Provisions</u>. If any term, provision, condition or covenant of this Agreement, or the application thereof to any party or circumstances shall, to any extent, be held invalid or unenforceable, the remainder of the Agreement, or the application of such term, provision, covenant or condition to persons or circumstances other than those to whom or which it is held to be invalid or unenforceable, shall not be affected thereby, and each remaining term and provision of this Agreement shall be valid and enforceable to the fullest extent provided by law.
- 15. <u>Counterparts</u>. This Agreement may be executed in any number of counterparts, each of which shall be deemed a duplicate original and all counterparts are executed, but all of which shall constitute a single instrument.

Executed at Vista, California on the date set forth below.

### **STAFF REPORT**

Agenda Item: 13

Tonof

Board Meeting Date: December 5, 2018
Prepared By: Marlene Kelleher
Reviewed By: Brett Hodgkiss
Approved By: Eldon Boone

SUBJECT: REVISIONS TO COMPENSATION SCHEDULE

#### **RECOMMENDATION:**

1. Adopt Resolution No. 18-XX approving revisions to the Compensation Schedule effective December 7, 2018.

2. Adopt Resolution No. 18-XX approving revisions to the Compensation Schedule effective January 1, 2019.

<u>PRIOR BOARD ACTION</u>: At least annually, the Board approves a Compensation Schedule for all employees to facilitate California Public Employees' Retirement System (CalPERS) reporting requirements under state pension law. Most recently, the Board adopted revisions to the Compensation Schedule on September 5, 2018.

<u>FISCAL IMPACT</u>: Revisions to the Compensation Schedule effective December 7, 2018 will memorialize the District's intent to implement changes in staffing to improve operational efficiencies, resulting in annual savings of approximately \$209,000. These savings are achieved as follows:

Top of
<u>Range</u>
\$ 23,322
205,704
(175,215)
161,658
169,160
(175,215)
\$ 209,414

Revisions to the Compensation Schedule effective January 1, 2019 will increase annual labor costs by approximately \$239,000.

<u>SUMMARY</u>: CalPERS retirement law requires that the governing body of all public agencies approve a salary schedule and any revisions thereto for all employees in an open public forum.

<u>DETAILED REPORT</u>: The California Code of Regulations (CCR) at Section 570.5 requires public agencies to make duly adopted and approved pay schedules publicly available prior to including the compensation as a part of the members' retirement benefit. CCR Section 570.5 requires that the employee pay rate be limited to the amount listed on a pay schedule that has been duly approved and adopted by the employer's governing body in accordance with the requirements of applicable public meeting laws.

The proposed 2018 schedule reflects, based on recent employee retirements and reorganization, the addition two new positions, Director of Administration and Director of Operations and Field Services. The Director of Administration position will replace the Assistant General Manager position as the division head for the Administration Division. The Director of Operations and Field Services position will replace the Operations

and Field Services Manager position, leading the new Operations and Field Services Division. The proposed schedule also contains other clean-up changes, such as deleting terminal positions that are no longer filled and adding/removing position designations (Terminal or New) as appropriate. These revisions will result in a gain in operational efficiencies and a net savings in annual labor costs. The reorganization and reassignment of duties reduces the maximum staffing levels from 91 to 90 positions.

Increases in the proposed 2019 schedule reflect negotiated salary adjustments in accordance with the Board approved Memorandum of Agreement (MOA) with the Teamsters Union, and established terms and conditions of employment for unrepresented employees, for a four-year term beginning on January 1, 2018 and ending on December 31, 2021. The economic terms that were negotiated with the new employee agreements included a salary range adjustment effective January 1, 2019; the salary adjustment is equal to 95% of the San Diego Consumer Price Index for All Urban Consumers for the twelve-month period ending June 30, 2018 which is 2.87%.

#### **ATTACHMENTS**:

- Resolution No. 18-XX approving revisions to the Compensation Schedule effective December 7, 2018.
- Resolution No. 18-XX approving revisions to the Compensation Schedule effective January 1, 2019

#### **RESOLUTION NO. 18-XX**

### RESOLUTION OF THE BOARD OF DIRECTORS OF VISTA IRRIGATION DISTRICT APPROVING REVISIONS TO THE COMPENSATION SCHEDULE EFFECTIVE DECEMBER 7, 2018

WHEREAS, the Vista Irrigation District's negotiation team completed meet and confer labor negotiations for 2018, 2019, 2020 and 2021 salaries and benefits as set forth in various Memorandum of Agreement for represented employees and a Resolution for unrepresented employees; and

WHEREAS, the District has previously negotiated and the Board of Directors has previously approved in each of these labor agreements certain adjustments to salary for each of the four years of the contract term; and

WHEREAS, California Code of Regulations (CCR) Section 570.5 requires public agencies to have a pay schedule duly approved and adopted by the employer's governing body in accordance with requirements of applicable public meeting laws in order for CalPERS to consider pay as "compensation earnable" for purposes of calculating a member's retirement benefit.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of Vista Irrigation District does hereby approves and adopt a revision to the Compensation Schedule to reflect that change as set forth in the attached "Exhibit A", incorporated herein by reference.

BE IT FURTHER RESOLVED that the Board of Directors has authorized execution of documents by the General Manager, Assistant General Manager and Human Resources Manager that may be required to carry out this Resolution.

PASSED AND ADOPTED by the Board of Directors this 5<sup>th</sup> day of December 2018, by the following roll call vote:

#### RESOLUTION NO. 18-XX

#### RESOLUTION OF THE BOARD OF DIRECTORS OF VISTA IRRIGATION DISTRICT APPROVING REVISIONS TO THE COMPENSATION SCHEDULE EFFECTIVE JANUARY 1, 2019

WHEREAS, the Vista Irrigation District's negotiation team completed meet and confer labor negotiations for 2018, 2019, 2020 and 2021 salaries and benefits as set forth in various Memorandum of Agreement for represented employees and a Resolution for unrepresented employees; and

WHEREAS, the District has previously negotiated and the Board of Directors has previously approved in each of these labor agreements certain adjustments to salary for each of the four years of the contract term; and

WHEREAS, California Code of Regulations (CCR) Section 570.5 requires public agencies to have a pay schedule duly approved and adopted by the employer's governing body in accordance with requirements of applicable public meeting laws in order for CalPERS to consider pay as "compensation earnable" for purposes of calculating a member's retirement benefit.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of Vista Irrigation District does hereby approves and adopt a revision to the Compensation Schedule to reflect that change as set forth in the attached "Exhibit B", incorporated herein by reference.

BE IT FURTHER RESOLVED that the Board of Directors has authorized execution of documents by the General Manager, Assistant General Manager and Human Resources Manager that may be required to carry out this Resolution.

PASSED AND ADOPTED by the Board of Directors this 5<sup>th</sup> day of December 2018, by the following roll call vote:

AYES: NOES: ABSTAIN: ABSENT:		
	Paul E. Dorey, President	
ATTEST:		
Lisa R. Soto, Secretary		
Board of Directors

STAFF REPORT

**Board Meeting Date:** December 5, 2018

**Prepared By:** Eldon Boone

SUBJECT: MATTERS PERTAINING TO THE ACTIVITIES OF THE SAN DIEGO COUNTY WATER

**AUTHORITY** 

<u>SUMMARY</u>: Informational report by staff and directors concerning the San Diego County Water Authority. No action will be required.

Agenda Item: 15.A

**Board Meeting Date:** December 5, 2018

Prepared By: Lisa Soto Approved By: Eldon Boone

# **STAFF REPORT**

<u>SUBJECT</u>: REPORTS ON MEETINGS AND EVENTS ATTENDED BY DIRECTORS

<u>SUMMARY</u>: Directors will present brief reports on meetings and events attended since the last Board meeting.

**STAFF REPORT** 

Agenda Item: 15.B

Board Meeting Date: December 5, 2018
Prepared By: Marian Schmidt
Approved By: Eldon Boone

**SUBJECT:** SCHEDULE OF UPCOMING MEETINGS AND EVENTS

<u>SUMMARY</u>: The following is a listing of upcoming meetings and events. Requests to attend any of the following events should be made during this agenda item.

	SCHEDULE OF UPCOMING MEETINGS AND EVENTS	ATTENDEES
1	Colorado River Water Users Association Conference (CRWUA)	Miller (A, R, H)
	Dec. 12-14, 2018 – Caesars Palace, Las Vegas	Vásquez (R, H)
	Registration deadline: 12/12/18	MacKenzie (R, H)
		Sanchez (R, H)
2 *		
	(No meeting in December)	
3 *	Council of Water Utilities Meeting	Dorey
	Jan. 15, 2019 – Hotel Karlan San Diego	
	Reservation deadline: 1/10/19	
4	Colorado River Aqueduct System (SDCWA/MWD)	
	Jan. 18-19, 2019 – Starts at the San Diego County Water Authority	
	Reservation deadline: 12/6/18	
5 *		
	Feb. 19, 2019 – Hotel Karlan San Diego	
	Reservation deadline: 2/14/19	
6	Urban Water Institute's Spring Water Conference	
	Feb. 27-Mar.1, 2019 – Hilton Palm Springs Hotel	
7	Registration deadline: 2/13/19	
7	<b>Lower Colorado River Tour</b> (Water Education Foundation)  Feb. 27-Mar.1, 2019 – Starts in Las Vegas and ends at Ontario Airport	
	Reservation deadline: 2/6/19	
8	State Water Project/Bay Delta (SDCWA/MWD)	
O	Mar. 16-17, 2019 – Sacramento	
	Reservation deadline: Not open yet	
9	Santa Ana River Watershed Conference (Water Education Foundation)	
	Mar. 29, 2019 – Cal State Fullerton University Conference Center	
	Registration deadline: TBD
